STAR OF *THE HOLZER FILES* AND *GHOSTS OF DEVIL'S PERCH*

Cindy has been extremely intuitive since very early childhood. At the age of 10 she had her first memorable experience with a spirit.

Days after losing a childhood friend in a fatal car accident, Cindy woke up in the middle of the night to see her friend standing next to her bed. At the time, she dismissed this experience and convinced herself it was just a dream. It wasn't until her early 20's that she realized she was having psychic and mediumistic experiences all along. During this "awakening" she began searching for answers and reasons for her experiences and became aware of her multi-faceted abilities as a psychic medium. She began training not only in the United States but also at the Arthur Findlay School of Intuitive Sciences in Stansted, England. She believes in compassionately sharing her gift with others while also opening up others to the gifts they too possess and that everyone is inherently intuitive and able to feel Spirit!

JAZZ SABBATH

"We f**ckin' love Jazz Sabbath! It's a really clever idea with great musicianship and Adam's sense of humour is stamped all over it. His piano playing and arrangements are superb and we 100% support Adam and the guys" **- Ozzy Osbourne**

Led UK jazz movement in the late 60s

Presenting themselves as a jazz trio formed in 1968 and being the original writers of the tracks, later made famous by Black Sabbath, their self-titled debut album (2020), met with critical acclaim from both jazz and rock critics. A limited mono edition of the alubm was released through Record Store Day later that year, selling out in one day.

In April 2022 they released Vol.2, which entered the Billboard jazz album chart at #6. Vol.2 was also accompanied by a limited mono RSD edition. Again more RSD copies were ordered by stores than were pressed (4000).

LIL JON

MULTI-PLATINUM AND GRAMMY AWARD WINNING

Sold millions of records as the frontman of Lil Jon & The East Side Boyz, whose smash hits "Get Low" and "What U Gon' Do" have been among some of the biggest crossover hip-hop records.

His success as a mainstay in the DJ-world is evident with a current residency at Hakkasan Nightclub (MGM Grand) along with Jewel Nightclub at Aria Resort & Casino. Previously, Lil Jon had a DJ residency for over five years at the Wynn/Encore (Surrender, Tryst, XS); even being named the Las Vegas Resident DJ of The Year. Known best for his role in creating and popularizing the southern movement and lifestyle known as Crunk, Lil Jon delivered a string of regional hits (in the 90's) with the East Side Boyz eventually becoming a national force in 2001 thanks to the tracks "Bia Bia" and "Put Yo Hood Up".
